November 24	Thanksgiving Recess - No School
November 25	Thanksgiving Recess - No School

A NEMS Tiger R.O.A.R.S.

From the Dean's Desk

As our transition to November begins, the days are getting shorter, the weather cooler and the holidays are quickly approaching. Over the past month we've enjoyed getting to meet many of our families during conferences to help us continue to build our classroom communities. We appreciate your continued support in making this a successful year for students. As the month progresses we're moving closer towards the end of our first trimester, we will continue to encourage students to check PowerSchool on a regular basis to make sure they're keeping up with their assignments. If you or your child are still struggling to access grades electronically please reach out so we can support.

Keep an eye on the calendar this month as students have Election Day and Veterans day off as well as ending the month with Thanksgiving. In Tiger Time we will give students the opportunity to explore Gratitude this month. We would like to take this opportunity to also express our gratitude to our NEMS families for all that you do to support our students throughout the entire year.

Michelle Cantin

- 8th grade parents and students: Believe it or not, it's already time to think about options for high school! We had a presentation the last week of October for students to learn about EC Goodwin Technical High School. We also will be having a presentation at the beginning of November about Southington High School's Agriculture-Science Program. EC Goodwin's application is online at their website (goodwin.cttech.org) and will be available to complete starting in November. Southington Ag-Sci will have paper applications that will be available in the guidance office after their presentation. Head to Mrs. Bronson's Guidance Google classroom for more information about high school choices. I will be updating that classroom throughout the year and also adding information about St. Paul, magnet schools, and Bristol Eastern High School and their course selection process for 9th grade. Feel free to call, email, or have your student ask to see Mrs. Bronson during the school day if they have any questions about high school.

- For any parents or guardians who don't have their login information for PowerSchool, please email or call Mrs. Bronson or Mr. Carroll for that info so you can view your student's grades and attendance. Students also have their own login for PowerSchool - remind them to check it once a week. Let us know if we can help in any way!

Notes from the Band Room

Several of our 8th grade band members recently performed with the Bristol Eastern High School Marching Band at their homecoming football game. Our NEMS band members learned the music and were right out on the field playing with the high school band. Great job to those students who were able to participate in this exciting annual opportunity!

Our jazz band and Modern Band clubs are up and running and students are putting extra time into their music making. I'm also proud of the many students who are finding more and better ways to get themselves to practice on their own. Once the "practice monster" is defeated, everything in music becomes possible! Keep up the good work, band members!

Ms. Vocke

Green Team News

The following students have gotten off to a great start this year!

Social Studies-Queen Lu

Math-Luke Labriola

Science-Emilee Caron

ELA-Sam Cassarola

PE-Henrik Rutsch

Tech Ed-TJ McKenna

Art-Evan Mastropiero

Wellness-Jazelyn Lopez

Spanish-Kayleigh Aukstolis

**GREAT
JOB!**

**GREAT
JOB!**

Congratulations to all! We are proud of your efforts!

Nurse  *Notes*

Please be mindful of what foods & drinks your child brings to school.

The health room will be sending home the "F" Health Assessment Record" to be completed and signed and returned to the nurse. This form is an important part of the Health Physical Exam. If you have any questions please let me know.

Nurse, Lori
