A NEMS Tiger R.O.A.R.S.

From the Dean's Desk

Hello NEMS Tiger Families,

As we look back on February and think ahead to Spring there are a few updates for everyone.

First, March will bring us to the end of our second trimester. This means we will be two thirds of the way through the school year and starting to think about finishing strong. Our eighth graders have already picked courses for High School and our sixth and seventh graders have picked encore classes so we're already planning for next year. We are excited to welcome some new students to our NEMS family next year as the next phase of Bristol Redistricting unfolds and sad to see some moving on to other buildings. For those impacted by the redistricting, there will be many opportunities in March to visit new placements and get to know our colleagues across the district.

Additionally, keep an eye out for information about Spring Conferences which will be held on March 22nd and 23rd. If you have concerns moving into the third trimester or have questions about next year, this is a great opportunity to meet with teachers. These are also early release days for students so mark them on your calendars.

This past week our basketball teams had their celebratory end of the season pizza parties, we congratulate them both on a successful winter season. Both teams played hard and we're proud of their accomplishments. Information will be out before you know it about Spring Sports Sign Ups.

Lastly, there are many end of the year activities and field trips that are in the planning stages right now. Students need to be academically and behaviorally eligible to attend these events. Teachers are having conversations with students regularly about how they can remain eligible. We appreciate your support as we plan for a successful and fun end to the school year.

Ms. Cantin

Seventh grade Avid students recently took a trip to Bristol's Carousel Museum and the Museum of Fire History to discover the rich history behind the museums and all of the beautiful pieces and paraphernalia. Students were also able to create a carousel piece of their own to take home. It was an informative and fun day!
