

Hello Northeast Families,

We are pleased to announce that Northeast Middle School will be offering an after-school intramural sports program. As you might expect, we will adhere to all relevant health and safety guidelines which are subject to change. Any subsequent changes will be communicated to you from the principal, Supervisor of Athletics, Chris Cassin, or your team coach. We would like to offer the opportunity for your child to participate in some form of sport/athletic activity this fall. Participants will be grouped by cohort and will adhere to strict social distancing and masking guidelines. **At this time**, CVL students are not eligible to participate and there will not be any travel or competition between schools.

Certified coaches will supervise students and organize skills clinics, athletic challenges, and fun activities. More detailed information will be shared with those who sign up.

If you are interested in having your child participate in an after-school athletic activity, please fill out the attached survey **no later than Sunday, October 4th**.

Additionally, students must submit the attached **Permission Forms A & B** in order to participate in the intramural sports program.
